

GETTING STARTED ON ENDVR

01 Download ENDVR by scanning the QR code.

02 Create an account

03 Verify your email.

04 Join your store.

* If you don't see your store, ask your store manager to contact your brand rep.

05 Find our brand and participate in our campaigns to start earning rewards!

FINDING YOUR FIRST CAMPAIGN

Click on the rocket at the bottom of your screen to access all of the live campaigns. Use the filters to navigate more easily through the campaigns.

HOW TO ACCESS YOUR REWARDS

01 Click on the amount of money in green at the top left of your screen.

02 Click on "Cash Out".

03 Choose your preferred withdrawal method.

Your earnings should arrive in your account within 24 hours of confirming your cash out. You will be notified once it has been sent.

Also! If you want to earn some extra cash, click on "Refer and Earn" on the homepage and send your referral code to your colleagues that are not on ENDVR yet. You will receive \$2 for each one that joins the app with your code

PRIZES

Once you have completed the necessary missions to unlock the possibility of winning a prize, there is no other action needed from you to be eligible to win.

If you win, you will be notified by email and push notification. You will then be prompted to fill a form in the app to give the brand your information, with which they will be able to give you your prize.

DISCOUNT CODES AND GIFT CARDS

01 Once you have unlocked the reward, go to the rewards tab of the app.

02 Click on "Filters" and search for the reward by brand, campaign or select "Unlocked". Click on "See the results".

03 Click on the reward you want to access. Click on "Copy and Shop". This will lead you to the website on which you'll be able to shop with your discount or gift card.
